### IAAIL workshop series

*The International Association for Artificial Intelligence and Law, IAAIL, organizes bi-annual conferences on AI & Law. In conjunction with the conference, a number of workshops take place. The proceedings of some of these workshops appear in the IAAIL workshop series. The series is published by Wolf Legal Publishers, Tilburg, the Netherlands. More information on the series can be found on [www.iaail.org](http://www.iaail.org).*

*This book is set in Minion and Myriad.*
